CELEBRATE THEIR LIFE

The estate, at West Horsley Place, offers a range of beautiful settings for private hire.

We are a stunning 400 acre landscape with a Manor House and Barn at its core. Our small independent charity aim to enrich people's wellbeing with culture, heritage and nature.

Guests can enjoy exclusive use of the house or the barn for a peaceful and private celebration of life.

HONOUR THEIR MEMORY

Every event hosted at West Horsley Place is something very special: personal and unique.

Our experienced and caring team are on hand to make planning your event stress free so that you can relax and celebrate memories with family and friends.

THE MANOR HOUSE

The Manor House's charm and fragile beauty, almost untouched by the last century, makes it a tranquil setting to celebrate the life of a loved one.

Views look out over the countryside and a range of different rooms often flexibly for guest numbers and catering.

THE BARN

The tastefully restored Barn is a blend of historic features and modern architecture and convenience.

Nested in nature, with an flower filled courtyard outside, it is a serene space that can host a large number of people.

CATERING

We work with a recommended list of caterers who we have full confidence in. We know they will protect the historic site while guaranteeing the very best quality and service to our guests.

A range of styles and prices is available. Please get in contact to request the list.
